Martha Jane was the oldest child of Stephen Hill and Dice Irene Taylor. She was born in South Carolina rest of her brothers and sisters were born in Alabama. Martha never married

12. John T HILL

Fact 1: John T. was a member of the 9th Ala Calvary

Fact 2: Fought in the Civil War and was injured.

Fact 3: Injured by a tornado while working in his blacksmith shop in April 24, 1908

Fact 4: Died several days after his injury from the tornado.

Fact 5: John T. never remarried after the death of his wife Priscella at age 47.

Note: John T. Hill was born at Pine Island in Marshall County, Alabama and was the oldest son of Stephen and Dice Hill. He was a member of the 9th Alabama Calvary and fought and was unjured in the Civil War. John T. homesteaded 80 acres in which the present day is Henry Minor farm, R.L. Hill Jr. farm, and the home of R. Sparks are located. Homestead records indicate that he built a 16x18 Ft log cabin with stone chimney and included a side room. The old home was located next to the Henry & Essie Minor home. Henry's mother and Maggie Rose and sister Ella both died at this house. John later moved to Albertville where he owned a storage building and blacksmith shop on Main St. next to Richardson and Co. general merchandise. He never remarried after the death of his wife Priscella Malone Hill in 1894. In the Old Marshall Banner Newspaper in 1896 it mentioned that he worked with a man name 'Duncan' and that they treated you fairly. In 1908, tornado destroyed Albertville main street and blew John's blacksmith shop away and injured him. He died several days later. John was buried about 3 miles north of Albertville in the Brashers Chapel Cemetery with other Hill family members.

Note: from Edwin Hill Great, great grand son:

Sherri, Thanks for the info. I just want to make sure we got it right. As for John T. he is my great-grandfather. He was the oldest son and the first child of Stephen to be born in Alabama in the year 1847. His wife Priscilla died in 1894. They lived very close to where he is now buried.

After the death of Priscilla he moved his children to Albertville and the children attended the Agricultural school. My grandfather Robert Lee finished the 11th grade which was the highest grade at the time. John T fought for a brief period of time in the later part of the Civil War at age 17 and was injured in the face while fighting at Claysville near Guntersville. In 1908 a tornado destroyed most all the buildings in down town Albertville. John T. was working in his Blacksmith shop and was injured and died 10 days later.

Hope this helps you some. Again thanks for your inf. I have been extremely busy trying to get the school up and running. Maybe I can get some time to do more research in the future. I hope your health is improving. May God bless is my prayer.

Cousin Edwin

219. Charles Alton HILL

My dad was in the Us Army in Hawaii. Was a LAPD officer for 20 years.

It was sometimes hard growing up being a cops daughter. But there were good things I remember about my dad; sometimes he would wash my hair and blow dry it. He liked my egg cheese sandwiches. When I was real little he use to pick me up and throw me in the air. He taught me how to water ski.

"POLICEMAN'S PRAYER"

When I start my tour of duty God,
Wherever crime may be,
As I walk the darkened streets alone,
Let me be close to thee.

Please give me understanding with both the
young and old.
Let me listen with attention until their story's
told.
Let me never make a judgment in a rash or
callous way, but let me hold my patience let
each man have his say.

Lord if some dark and dreary night, I must
give my life, Lord, with your everlasting love
protect my children and my wife.

Martha Jane was the oldest child of Stephen Hill and Dice Irene Taylor. She was born in South Carolina rest of her brothers and sisters were born in Alabama. Martha never married

12. John T HILL

Fact 1: John T. was a member of the 9th Ala Calvary

Fact 2: Fought in the Civil War and was injured.

Fact 3: Injured by a tornado while working in his blacksmith shop in April 24, 1908

Fact 4: Died several days after his injury from the tornado.

Fact 5: John T. never remarried after the death of his wife Priscella at age 47.

Note: John T. Hill was born at Pine Island in Marshall County, Alabama and was the oldest son of Stephen and Dice Hill. He was a member of the 9th Alabama Calvary and fought and was unjured in the Civil War. John T. homesteaded 80 acres in which the present day is Henry Minor farm, R.L. Hill Jr. farm, and the home of R. Sparks are located. Homestead records indicate that he built a 16x18 Ft log cabin with stone chimney and included a side room. The old home was located next to the Henry & Essie Minor home. Henry's mother and Maggie Rose and sister Ella both died at this house. John later moved to Albertville where he owned a storage building and blacksmith shop on Main St. next to Richardson and Co. general merchandise. He never remarried after the death of his wife Priscella Malone Hill in 1894. In the Old Marshall Banner Newspaper in 1896 it mentioned that he worked with a man name 'Duncan' and that they treated you fairly. In 1908, tornado destroyed Albertville main street and blew John's blacksmith shop away and injured him. He died several days later. John was buried about 3 miles north of Albertville in the Brashers Chapel Cemetery with other Hill family members.

Note: from Edwin Hill Great, great grand son:

Sherri, Thanks for the info. I just want to make sure we got it right. As for John T. he is my great-grandfather. He was the oldest son and the first child of Stephen to be born in Alabama in the year 1847. His wife Priscilla died in 1894. They lived very close to where he is now buried.

After the death of Priscilla he moved his children to Albertville and the children attended the Agricultural school. My grandfather Robert Lee finished the 11th grade which was the highest grade at the time. John T fought for a brief period of time in the later part of the Civil War at age 17 and was injured in the face while fighting at Claysville near Guntersville. In 1908 a tornado destroyed most all the buildings in down town Albertville. John T. was working in his Blacksmith shop and was injured and died 10 days later.

Hope this helps you some. Again thanks for your inf. I have been extremely busy trying to get the school up and running. Maybe I can get some time to do more research in the future. I hope your health is improving. May God bless is my prayer.

Cousin Edwin

219. Charles Alton HILL

My dad was in the Us Army in Hawaii. Was a LAPD officer for 20 years.

It was sometimes hard growing up being a cops daughter. But there were good things I remember about my dad; sometimes he would wash my hair and blow dry it. He liked my egg cheese sandwiches. When I was real little he use to pick me up and throw me in the air. He taught me how to water ski.

"POLICEMAN'S PRAYER"

When I start my tour of duty God,
Wherever crime may be,
As I walk the darkened streets alone,
Let me be close to thee.

Please give me understanding with both the
young and old.
Let me listen with attention until their story's
told.
Let me never make a judgment in a rash or
callous way, but let me hold my patience let
each man have his say.

Lord if some dark and dreary night, I must
give my life, Lord, with your everlasting love
protect my children and my wife.

own: Sherri to my Uncle Doug and Aunt Jean.

own: What can I say about them? They are kind, loving, I have alot of respect for them. Uncle Doug has been with me the whole time I was doing the research on our familytree. He gave me alot of support. We went to graveyards in Alabama. My husband loves Aunt Jean, Tom finally met the first female who loves sports. He told me that my aunt's a "hoot"
I love my uncle Doug and Aunt Jean very much.
